GARDEN WEDDINGS & MARQUEE

Garden Weddings

The manicured gardens of Trunkwell House are beautiful and our team of gardeners have been here for 15 years to create numerous areas for that special wedding photograph.

The garden features the summer pavilion which is licensed to hold civil ceremonies and civil partnerships, seating up to 500 guests. At night the garden is illuminated providing a lovely open air forum for your guests.

The Garden Marquee

The Garden Marquee is licensed to hold civil ceremonies and civil partnerships. The marquee is very versatile so can be easily adapted to suit any wedding theme or style. The room can hold between 60-250 people for a sit down wedding breakfast.

In the marquee there is the added bonus of the 'chill out' room, ideal for some extra space or your evening meal.

THE VICTORIAN DINING ROOM

The classic Victorian Dining Room is perfect for small and intimate weddings, christenings, special birthday parties and celebrations. It is ideal for seating up to 45 guests.

The room is elegantly decorated and in keeping with the rest of the Victorian house. With its original features, open fireplaces and not forgetting the owner's fantastic private art collection all around the room.

Guests of the Victorian Dining Room also have full use of the Trunkwell House Bar which is located opposite the dining room so guests can flow freely in and out.

After the wedding breakfast or celebration meal the Victorian Dining Room can be transformed for your evening guests.

THE WEDDING BREAKFAST & RECEPTION

After your ceremony it is time for the celebration! Sit down and enjoy a beautiful three course meal or choose a more relaxed option such as a BBQ or Hog Roast.

With our in-house chefs the choices are endless and we are able to cater for any specialist, religious or cultural cuisine requests.

Your room is then transformed into the perfect party venue at night, with the option of using our in-house DJ or your choice of live music.

Ambient lighting in the garden creates the perfect atmosphere allowing use of the gardens to continue throughout the evening.

CONTACT US
